

## Program Specifications

### Doctor of Public Administration Program in Public Affairs Management (International Program) (Revise Program A.D. 2016)

1. **Degree Program** Doctor of Public Administration Program in Public Affairs Management

2. **Degree Offered**

**Full form:** Doctor of Public Administration (Public Affairs Management)

**Short form:** D.P.A. (Public Affairs Management)

3. **Major**

Public Affairs Management

4. **Objectives**

The doctoral program in public affairs management (a new revised program 2016) has the goal of producing graduates who have knowledge of their discipline, knowledge of work and knowledge of people, as in the following:

- (1) Deep understanding of public affairs management and the ability to conduct research to build a body of new knowledge in the field of public administration
- (2) The ability to integrate knowledge from theory with that of practice as innovations in the state of administration that are complex and dynamic, which will be passed along to the people both on the national and international levels.
- (3) Leadership in the ability to work as a change agent that will be acceptable to society together with a deep sense of ethics, and a consciousness of civic responsibility on the part of both politicians and representatives.
